## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"Making Every Child Count" is the motto of Manning Early Childhood Center. MECC is an award winning school and has been recognized as a "Red Carpet" School and an Exemplary Writing School. MECC has received high ratings from the State Department of Education and the Pee Dee Center on quality environmental instruments; the school is accredited by the Southern Association of Colleges and Schools and the National Association for the Education of Young Children.

There are many factors that support the program and mission of MECC. All staff members are highly qualified with over 72% of the professional staff having an advanced degree. Nine teachers are National Board Certified. An Early Childhood class has been provided on campus for ten paraprofessionals. MECC will add a full time Guidance Counselor for the 08-09 school year.

MECC incorporates a variety of programs to support instruction and family involvement. There are five Child Development Pilot Project Pre-K classrooms that serve 100 students in an all day program. MECC supports the use of instructional technology and has a new state of the art 25 station computer lab with the Classworks program and a SMART Board. Ten classrooms have SMART Boards and all classrooms have multiple computers. MECC initiated a pilot project Literacy Lab in one classroom and will expand to four classrooms next year. An ESOL teacher and Resource teacher serves students in an Inclusion and pull-out model daily. A Reading Recovery teacher serves ten students per year and teaches daily literacy groups. MECC has an extensive Therapeutic Behavior Services Program that serves students with a variety of disabilities. MECC offers several literacy enrichment programs such as "Roaring Readers" for remediation and "Raise a Reader," a home reading program. The principal has a "Principal's Book Club" to provide enrichment for high achieving readers in first grade. Dance was added to enrich the physical education program.

A variety of parent and family activities also support the programs at MECC. Families participate in a Rotary sponsored "Literacy Night", a state funded Family Literacy program, First Steps Family Literacy, and a Family Resource Center. Additional programs and activities include; inviting families in for meals, PTO, Math Night, an annual school play, and Readinghouse Sweepstakes. This year MECC purchased an automatic calling system to inform parents of events and meetings. Parents also have access to the school and district website for information and a school newsletter is sent home monthly. MECC has many service learning projects such as: Relay for Life, Pennies for Patients, community food drives, and Character Education programs.

Areas of concern at MECC include student attendance, tardies and increased pupil-teacher ratios. The poverty level in Clarendon School District Two is also a factor that impedes student progress. MECC has a disproportionate number of special education students and below grade level readers. We are concerned that these issues may have an adverse effect on future report card ratings.
